Dear Friend,

As the days grow shorter and Thanksgiving approaches, we are filled with gratitude. Thanks to your kindness, children whose families can't afford the camp fee will spend next summer at Lincoln and Whip. You are changing their lives.

This season's 10% increase in the camp fee makes your support even more important. Your generosity helps keep camp within reach for families who need assistance.

We're excited to welcome new board members: **Nancy Gucker Birdsall, Doug Furman, Lynn Livingston, Quinn Plunkett, Amy Shaw and Liz Westergaard.** These camp legends need no introduction, and we're thrilled to have their spirit, talent and experience on our team.

This year, we received our first legacy gift. We're grateful and hope you'll consider including the Gucker Fund in your estate plans. A planned gift creates a legacy for you and your family by helping future generations experience camp.

North Country Camps is special. The time we spend at Lincoln and Whip shapes our lives. We learned there. We played there. We hiked, swam, sailed, sang, laughed and slept under the stars there. Please help make these experiences possible for children whose families need support.
